Hello and Happy New Year Peter,

My thought was to come down in February for the ARSG meeting; I have a bunch of wrap up from flood work to tend to this month. It would probably be a good idea to get your thoughts on the R n B discussion points before the meeting.

I look forward to good year with our collective efforts on the Animas.

Thanks,

Steve

Happy New Year Steve –

I'd like to have a discussion soon with ARSG about next steps for the Red & Bonita. Are you thinking of coming down to an ARSG meeting in January (16th) or February (20th)?

February might be better. I'm not sure we have enough topics for a meeting in January.

We have signed a contract with InnoCentive to post a challenge on treating mine drainage. That will probably be posted on the internet in mid-January.
